ABOUT AMAZONAS TRADING

An international cocoa sourcing and exporting company connecting certified cocoa from Peru and Ecuador with global chocolate manufacturers, traders and food companies. We offer traceable cocoa beans, organic cocoa and cocoa mass, supported by sustainable sourcing, quality control and internationally recognised certifications.

Founded in 2009, we are a family company committed to sustainable sourcing, quality control and the development of high-quality, traceable and certified cocoa. Through our UNIDOS program, we work directly with farmers, cooperatives and associations, contributing to stronger cocoa communities.

CERTIFIED FOR A BETTER TOMORROW

We work with internationally recognised certifications, ensuring traceability, responsible sourcing and high-quality cocoa for global markets.
